EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Susan Doughty on 02/11/04.

The application has been amended as follows:

Please cancel claims 1-38.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The closest reference of record is Spencer et al. (US 3,920,650). Spencer et al. teach a generic group of isoalloxazine derivatives (See formula 1, Col. 1). The instantly claimed compounds differ from the reference compounds in the substituents at 7- and 8-position of the isoalloxazine. It is dialkylamino in the instant invention (see claims 62 and 63) whereas it is bromo, chloro, trifluoromethyl, etc in the reference (see col. 1). Halogen, methyl, trifluoromethyl and dialkylamino are not art recognized equivalents, and therefore, one skilled in the art would not have been motivated to modify the teachings of the reference. In addition, the present invention teaches a composition of biologically active protein derived from blood and the compounds. There is no such disclosure in the reference. Thus, the reference alone does not teach or fairly suggest the instantly claimed compounds and compositions, therefore, the instantly claimed compounds and compositions are deemed to be novel and patentably distinct.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Examiner Hong Liu whose telephone number is (571) 272-0669. The examiner can normally be reached on Monday through Friday from 8:30 AM to 6:00 PM.

If attempts to reach the examiner by the phone are unsuccessful, the examiner's supervisors, Mukund Shah or James Wilson can be reached at (571) 272-0674 or (571) 272-
